**Detailed Action**

***Supplemental Restriction / Election Requirement***

Examiner acknowledges applicant's election of Group I. However, after further review, Examiner is requesting the election of a specifically disclosed composition which includes defining a specifically named or completely defined nodulisporic acid derivative and a specifically named or completely defined liquid carrier vehicle. If Applicant desires optional or additional components, Examiner is requesting that Applicant specifically name or completely define optional or additional components. Claims listing additional components which are not completely named or defined will be considered non-elected.
